Chapter

1. General

1. GENERAL

1.1 New sign/signal gantries for use on Motorways and All Purpose Trunk Roads shall no longer be designed using BE7/77.

1.2 The design of new portal sign/signal gantries on Motorways and All Purpose Trunk Roads shall forthwith be undertaken in accordance with BD51, together with other relevant current DMRB documents.

1.3 BE7/77 and BE7/04 are not applicable in Scotland.

Implementation

1.4 This Standard shall apply to all future road schemes for the construction, improvement and maintenance of trunk roads. It shall also apply to schemes currently under preparation provided that, in the opinion of the Overseeing Organisation, this will not result in significant additional expense, or delay progress.
